

RFQ: ELECTRIFICATION OF SCHOOLS – SUPPLY, INSTALLATION & COMMISSIONING OF SOLAR SYSTEMS

Anglo Inyosi Coal Community Trust invites qualified and experienced service providers to submit quotations for the supply, installation, and commissioning of solar electrification systems at ten (10) identified schools in Mpumalanga province.

1. Project Scope

- Supply, delivery, and installation of complete solar PV systems for ten schools.
- Provision of inverters, battery storage, wiring, mounting frames, and all necessary components.
- Electrical connection, testing, commissioning, and hand-over of systems.
- Training for designated school staff on day-to-day operation and basic maintenance of systems.
- Warranty documentation and after-sales maintenance plan.
- Detailed implementation plan with timelines, resources, risk mitigation and milestone schedule.

2. Site Visits (Mandatory)

All service providers wishing to submit a quotation **must attend site visits at all ten schools** prior to submission.

At each school site you will be required to sign a register, which must then be **stamped by the school principal or authorised representative**. The **consolidated stamped site-visit register** must be attached to your quotation submission. Quotations submitted without proof of attendance at *all* site visits will be **automatically disqualified**.

Site visits should be completed between 27 October 2025 and 07 November 2025.
